

Online Food Service Payments

Parents can make online food service payments from home or work, 24/7. If their child's food service account balance is low, it only takes a few minutes to add money to it using their VISA or MasterCard credit or debit card. Payments are made through the student's Skyward Family Access account.

Payments made through Skyward Family Access will immediately be posted to the student's food service account. Parents will be charged a \$1.50 fee per student for the convenience of making an online payment.
